

SUMOBOT DICE PARTY V3

Frédéric "Couby" Coubard
Ethan "Tweety" Coubard

Storyline

A2002  wana build a Sumobot to compete for the BotSurvive Cup. Help him finding the pieces to build it. The less you roll die, the more powerfull the bot will be !

Simply pass over tiles to pick pieces.
A check list on the right is there to ensure you have all the required pieces.

Roll a dice to move in the Labyrinth.
Move directions are up to you.
Find the optimum path and count the number of dice rolls.

Note your best score to collect all pieces (smallest number of roll dice).

Find a strategy to build the Sumobot as quickly as possible, and may Asimov be with you...

One dice required

★ ★ ★ **Best score**

Notes

Targeted audience : 8 - 10 years old kids

Implicit objectiv : learn pieces required to build a Sumobot
